

2025 Sycamore Speedway Street Stock Rulebook

Welcome to Sycamore Speedway! Our primary goal is to provide a fun, safe, and competitive environment for all participants and spectators. This rulebook is designed to ensure fairness and consistency in all aspects of our events. Please read and understand the rules outlined below to ensure compliance and enjoyment for everyone involved.

Read through this rulebook. It is important that all drivers, pit crews, and participants are knowledgeable and understand the operations of our events and Sycamore Speedway's mechanical and procedural rules.

Dispute Resolution & Authority: In the event of an issue or disagreement, Sycamore Speedway Management and Track Officials will refer to these rules to resolve any behavioral or technical disputes and questions. These rules will also guide the establishment of the length, frequency, and administration of all racing events, as well as the determination of finishing positions. **Decisions made by Sycamore Speedway are final.**

RULEBOOK DISCLAIMER —

The rules and regulations set forth herein are designed to ensure the orderly conduct of racing events and to establish minimum acceptable requirements. *By participating in these events, all participants are deemed to have complied with these rules.* NO EXPRESS OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM THE PUBLICATION OR COMPLIANCE WITH THESE RULES AND/OR REGULATIONS. These rules are intended as a guide for the conduct of the sport but do not guarantee against injury or death to a participant, spectator, or official. The Race Director is empowered to permit minor deviations from any of the specifications herein or impose any further restrictions that, in their opinion, do not alter the minimum acceptable requirements. NO EXPRESS OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM THE PUBLICATION OR COMPLIANCE WITH THESE RULES AND/OR REGULATIONS. Any interpretation or deviation from these rules is at the discretion of the Track Officials. Their decision is final. Any items not covered in this information will be decided by the Track Officials.

Sycamore Speedway will permit the usage of golf carts, four-wheelers (ATVs), pit bikes, etc. - however, all vehicles must adhere to the following rules:</p> <ol style="list-style-type: none"> All vehicles must use slow speeds. All vehicles must use caution and ensure the safety of pedestrians and other vehicles. All vehicles are only allowed on the track with track official permission and will use the entrance and exit of the track properly. <ol style="list-style-type: none"> Any vehicle using the exit of the track as an entrance and vice versa will be asked to load up and further use will be prohibited. <p>B. Sycamore Speedway reserves the right to restrict the use of these vehicles to any person(s) who fail to follow the rules for the usage of such vehicles or during certain events.</p>
CATEGORY	RULE
Wristbands & Wearing Apparel	<p>A. Wristbands: All wristbands appropriate for the event are required at all times, <u>no exceptions.</u></p> <p>B. Racing Suits: We require all drivers to wear a flame-resistant driving suit, a two-piece suit is permitted.</p> <ol style="list-style-type: none"> Spectator, Power Puff, Socker Stocker and Compact Divisions: <ol style="list-style-type: none"> A racing suit is <i>not required</i>, however, <u>at minimum</u>, long sleeve shirts and long pants are required. <i>We do recommend a flame-resistant racing suit.</i> All other requirements are the same for these classes. <p>C. Pit Attire: We recommend that all participants in the Pit Area wear high-visibility clothing and/or white pants or coveralls, so they are more visible.</p> <p>D. Helmets: Approved Snell Helmets with Face Shields are required for all classes.</p> <ol style="list-style-type: none"> No motocross, motorcycle, or snowmobile helmets are allowed. <p>E. Shoes & Gloves: Closed-toed shoes and gloves are required for all drivers and strongly encourage auto racing shoes.</p>
Weather / Rain Policy	<p>A. In the event of sudden showers, after the gates have been opened, Track Officials will temporarily suspend the races; however, every effort will be made to complete the races after the rain stops. If, in the opinion of Track Officials, the weather will prevent the return of a safe racing condition within a reasonable amount of time, the remaining races will be canceled or postponed as follows:</p> <ol style="list-style-type: none"> If less than four (4) events have been completed, all online tickets will be refunded and no rain checks will be issued for online ticket holders. Tickets purchased at the gate and/or pit pass wristbands will serve as a rain check and must be kept and presented in order to redeem the rain check. If four (4) or more events, not including qualifying, have been run - the event will be considered complete and refunds/rain checks will not be issued. If a special event has been rained out, the special event will be reviewed and rescheduled/postponed, at the discretion of Sycamore Speedway Management. In the event of rain or any circumstances beyond the control of the Track Officials, the race may be declared complete or continued at the

2025 Sycamore Speedway Street Stock Rulebook

	<p>discretion of such Officials in charge.</p> <p>B. In the event of a rainout, prior to gates opening, all online tickets will be refunded by MyRacePass on Monday and will not serve as a rain check to any other event. Refunds may take 2-5 business days to be processed back into the ticketholder's account. Ticket Holders will receive an email from MyRacePass explaining the refund within the days following a rainout.</p>
Rainchecks Policy:	<p>A. When rainchecks are issued, individuals with ticket stubs or pit pass wristbands will be able to redeem them within the next 4 race nights following the rained-out event; the rain check is good for the face value of the ticket price the night of the rainout, and may not be used on an event with a higher ticket price value.</p> <p>B. Individuals must present the ticket stub or pit pass wristband in order for the rain check to be redeemed, no exceptions.</p>
Insurance Coverage	<p>A. Insurance Coverage will exist <u>30 minutes</u> prior to the scheduled race time and end <u>10 minutes</u> after the finish of the last event.</p>
Fines and/or Suspensions	<p>A. Any fines and/or suspensions will be decreed by Track Officials, subject to the following:</p> <p>B. Violation Type:</p> <ul style="list-style-type: none">a. Behavioral / Conduct:<ul style="list-style-type: none">i. Minimum: Two (2) Week Suspensionii. Loss of Points and/or Money Earnedb. Mechanical / Technical:<ul style="list-style-type: none">i. Maximum: \$200 fine and/or Two (2) Week Suspensionii. No Points and/or Money Earnedc. Safety:<ul style="list-style-type: none">i. Maximum: \$500 fine and/or Two (2) Week Suspension

RACE PROCEDURES

SIGN IN & PILL DRAW	
Pill Draw Procedures	<p>A. All race cars must be signed in for the racing event before the start of qualifying.</p> <ol style="list-style-type: none"> The driver will be responsible for signing in. A crew member may sign in for a driver if the driver will be late to sign in. Failure to sign in by the start of qualifying will result in no points or pay earned for the evening & forfeit of qualifying time. <p>B. A pill draw will be used to determine the qualifying order.</p> <ol style="list-style-type: none"> Pill draw will close at 6:00 PM, on regularly scheduled race nights. <ol style="list-style-type: none"> <i>Friday Night Divisions will not have a specified order to qualify.</i>
Race Receiver	<p>A. RACE RECEIVERS ARE MANDATORY FOR ALL CLASSES.</p> <ol style="list-style-type: none"> If you do not have a Race Receiver, they will be available for purchase at the track. Default Channel: 454.000 <p>B. If a driver does not have a race receiver during a race, they may be disqualified for that race. <u>NO EXCEPTIONS!</u></p> <p>C. <u>No transmittable radios, one-way receiver only.</u></p>
Driver's Meeting	<p>A. All drivers must attend the driver's meeting.</p> <ol style="list-style-type: none"> All drivers are responsible for understanding and adhering to the rules set forth within track rulebooks.
PACK TRACK / HOT LAPS / QUALIFYING	
Pack Track	<p>A. All race cars, as required by the Track Officials, will be required to pack the track. <u>Any race car that does not participate in packing the track will forfeit their qualifying lap and will be placed at the rear of the slowest heat race and feature. NO EXCEPTIONS!</u></p>
Hot Laps	<p>A. <i>This section does not apply to Friday Night Divisions.</i></p> <p>B. All classes will be given approximately 3 laps (at the discretion of the Flagman or Track Officials) for a Hot Lap session, prior to their qualifying time.</p> <p>C. Drivers must be "race ready" for Hot Lap sessions, including Race Receivers.</p> <p>D. Drivers are prohibited from "racing" other drivers during hot lap sessions, this is to prevent unnecessary accidents during hot laps.</p>
Qualifying	<p>A. After the conclusion of Hot Laps, qualifying will follow.</p> <p>B. <u>Saturday Divisions:</u> Drivers must be in line in accurate qualifying order positions at the time of qualifying. Any driver who misses the Pill Draw will qualify first and/or at the front of the line.</p> <p>C. During qualifying, drivers may be given an allowance of <i>one spin</i> or <i>wave-off</i> per night for extenuating circumstances.</p> <ol style="list-style-type: none"> <i>This does not apply to Friday Divisions.</i> <p>D. Drivers will be allowed one qualifying lap or other means to facilitate positioning as time permits to be determined by the Track Officials.</p> <p>E. When qualifying is complete for a given class, <u>they are over</u> — no exceptions.</p> <p>F. All Saturday Classes <u>must run</u> their heat race to secure feature position.</p>

2025 Sycamore Speedway Street Stock Rulebook

	a. If you miss your heat you start in the rear of the feature.
RACES	
Race Track & Infield Rules	<p>A. During the races, the only authorized personnel on the race track and in the in-field are the drivers, disabled cars, safety crew, wrecker crew, and Track Officials.</p> <p>a. During features, a maximum of 3 people will be allowed for the Hot Pit.</p> <p>b. All crew members must remain in the designated Hot Pit area with feet on the track surface.</p> <p>c. Disobeying a or b will result in disqualification of driver for that race and said person will not be allowed to be in Hot Pit for the rest of the season.</p> <p>B. All spectators must remain clear of the track chute and behind the fence at all times unless requested by the Track Officials <u>for some special reason</u>.</p>
Field of Cars	A. Track Officials reserve the right to increase or decrease the field of cars at his/her discretion.
Accidents	A. In the event of an accident, the car(s) involved must be taken to the pits or the infield (at a safe distance) to be worked on, subject to the Official's discretion.
Race Starts	<p>A. <i>A race will not be stopped for a car that has spun out in the first curve/turn on the first lap unless the situation warrants it as deemed by the Flagman.</i></p> <p>B. The original and first start of a race will be a double file line-up, and the pole sitter will set the pace of the field. All cars must be door-to-door and nose-to-tail on all starts and restarts.</p> <p>C. The front row will be given two (2) chances to successfully start a race, if the front row cannot start a race within two attempts, the front row will move to the second row and the second row will move to the front row.</p> <p>D. All race starts will be conducted in Turn 4, and the pole sitter will fire in between the closest white tire and the Yellow Start Tire or Chalk Line.</p>
Race Restarts	<p>A. The "Delaware Style" Double File Restart Method will be utilized for race restarts.</p> <p>B. Leader Placement: The race leader will be positioned at the front of the field by themselves.</p> <p>C. Second Place Driver: The second-place driver will choose to restart from either the inside or outside position.</p> <p>D. Field Line-Up: The remaining drivers in the field will line up in a double file formation following the second-place driver's selection.</p> <p>E. All cars must be door-to-door and nose-to-tail on all starts and restarts. Any driver in violation or who gets an advantage will be penalized or disqualified.</p>
Yellow Flags	<p>A. If a driver causes a Yellow Flag, the driver will go to the rear of the field.</p> <p>B. All cars involved in a Yellow Flag Situation that make contact and stop on the track, will go to the rear.</p> <p>C. Any car that stops to avoid contact will retain its position.</p> <p>D. Any driver that intentionally causes a caution will be set to the rear or black-flagged from that race.</p> <p>E. The only individuals allowed on the race track are the Track Officials, Safety Crew, Wrecker Crew, and Ambulance Crew. NO EXCEPTIONS!</p> <p>a. <i>Any individual who fails to conform to this rule is subject to a substantial fine and/or expulsion from the grounds and disqualification of the driver</i></p>

for the race night. These decisions will be made by Track Officials.
F. Yellow Flag Laps may be counted at the discretion of the Track Officials.*

RACES

Red Flags

- A. All cars must come to an immediate stop when a red flag/red light is displayed. Any car that fails to do so may be disqualified from the race.
- B. All cars involved in a Red Flag Situation that make contact and cause the Red will go to the rear if they remain running.
- C. The only individuals allowed on the race track are the **Track Officials, Safety Crew, Tow Crew, and Ambulance Crew. NO EXCEPTIONS!**
 - a. Any individual who fails to conform to this rule is subject to a substantial fine and/or expulsion from the grounds and disqualification of the driver for the race night. These decisions will be made by Track Officials.

Racing Flag Meanings

Green ●	<ul style="list-style-type: none"> A green flag indicates the start or restart of a race. The track is clear.
Yellow ●	<ul style="list-style-type: none"> All cars must slow down due to a hazard on the track. All cars must hold their position - do not pass. If there is a Yellow Flag on the White Flag lap, the race will be declared complete and over. Cars will be scored on the finished lap prior to coming to the White Flag.
Red ●	<ul style="list-style-type: none"> All cars must come to an immediate stop. <ul style="list-style-type: none"> Any car that fails to do so may be disqualified from the race.
White ●	<ul style="list-style-type: none"> The white flag indicates one lap remaining in the race. Folded & Parallel - White & Green: 2 laps remaining.
Black ●	<ul style="list-style-type: none"> A black flag indicates that the recipient must leave the race track immediately due to a violation of a rule or mechanical issues. Once a driver has been black-flagged, they may not return to the race track for the remainder of that race. NO EXCEPTIONS! If a driver is black-flagged for unsportsmanlike conduct, they must load their race car and leave the property. Failure to see the Black Flag will not be considered as an excuse not to leave the racetrack.
Blue w/ Yellow Stripe ●●	<ul style="list-style-type: none"> Starter's Signal — Hold Your Line. This flag indicates that the leaders are approaching a driver near the rear of the pack and to hold the same line. <u>Do not race the leaders.</u> If the leaders have caught up to you, they are faster than you, provide them with the space to pass you.
Checkered 🏁	<ul style="list-style-type: none"> A checkered flag indicates the race is over. When the leader takes the checkered flag, the race is over as cars cross the finish line.

2025 Sycamore Speedway Street Stock Rulebook

		<ul style="list-style-type: none">• The placement of the cars in order of finish as determined by the scorer(s) will be final.
RACES		
Rough Driving	<ul style="list-style-type: none">A. Rough driving will not be tolerated.B. Rough driving includes actions that are overly aggressive, reckless, or dangerous; such as intentional contact with other vehicles or forcing another driver off the racing surface into the infield.C. Drivers who engage in rough driving will be given one warning from the Flagman or Track Officials via Flag Signals, Race Receivers, or directly by Officials.D. Drivers who further engage in rough driving after a warning is given will be given a black flag and disqualified for the remainder of the evening.	
Two Caution Rule	<ul style="list-style-type: none">A. Any driver who causes two yellow flag cautions in a single race will be black-flagged for that race and must leave the race track for the remainder of the race.B. The driver will receive a warning/notification the first time and will receive the black flag or a notice to leave the race track the second time.	
Technical Inspection	<ul style="list-style-type: none">A. All drivers will be required to go through a technical inspection before racing each night at the discretion of the track.<ul style="list-style-type: none">a. Failure to go through technical inspection will result in no racing.B. The top positions in each race will be required to go immediately to technical inspection after receiving the checkered flag:<ul style="list-style-type: none">a. <u>Dashes & Heats:</u><ul style="list-style-type: none">i. Top 3 Finishersb. <u>A Feature (Fast):</u><ul style="list-style-type: none">i. Top 3 Finishers at minimum up to top 5.c. <u>B, C, D, etc. Features (2+):</u><ul style="list-style-type: none">i. Top 3 FinishersC. Drivers need to leave the racetrack following the checkered flag in a reasonable time manner and head to technical inspection.<ul style="list-style-type: none">a. If it is deemed you have taken too long, you will be subject to a full tech for that evening.D. Technical Protests: (does not apply to the Compact Division)<ul style="list-style-type: none">a. If a driver feels that one of their competitors is cheating, a driver may request, at a fee of \$200, that the Tech Staff inspect the competitor's car for what you are claiming is illegal.<ul style="list-style-type: none">i. \$50 will be retained by the Race Track.ii. The remaining \$150 will go to the correct party.b. If:<ul style="list-style-type: none">i. You are correct: You get your \$150 back.ii. The competitor is correct: The competitor receives \$150.E. <u>Crew members are prohibited from entering with and/or touching any race car in the Tech Line.</u> A maximum of one crew member is permitted per driver to act as a secondary Spokesperson to Tech Staff and enter the Tech Line area.<ul style="list-style-type: none">a. <i>If Tech Staff deems a crew member has tampered with a race car while waiting for or during the technical inspection, that car may be disqualified at the discretion of the Tech Staff or Track Officials.</i>F. Any competing car/driver found in violation of the rules will lose any purse	

2025 Sycamore Speedway Street Stock Rulebook

	money & points won for that night.
Pit Area Rules	<p>A. Changing Drivers:</p> <p>a. To change or alternate drivers, the driver must have qualified that race car to race it. This change <u>must be reported</u> to the Pit Tower.</p> <p>B. Lineups:</p> <p>a. All drivers must line up for their race(s) in the Pit Area in the Lineup Area.</p> <p>b. Drivers can find the lineups on the Pit Boards or on MyRacePass.</p> <p>c. Any driver not in line at the time their race pulls on the track will be moved to the rear.</p> <p>C. Abandoned Race Cars:</p> <p>a. Any abandoned race car left in the Pit Area will be towed away. It is the responsibility of the driver to take their racecar home each night or store it in the designated area of the Pit Area. If a driver does not, it will be assumed <i>abandoned</i> and will become the property of Sycamore Speedway.</p> <p>D. Aggressive Driving in the Pits:</p> <p>a. A driver may face penalties should they aggressively drive in the pit area, causing dangerous conditions for the safety of others.</p>
